## THE PRESIDENT'S MESSAGE

### PRESIDENT REPORT OCTOBER

Mr. Geoffrey Cavalier, CSI,  
Assoc. AIA, NCARB  
CSI Knoxville Chapter President  
[cavaliergeoffrey@gmail.com](mailto:cavaliergeoffrey@gmail.com)

Our last monthly meeting we welcomed guest speaker Wes Stowers, Chairman and CEO at Stowers Machinery Corporation. Wes gave the best lecture on leadership I have had yet. My favorite portion of it was that he recognized that you need experience and you need to make mistakes as a leader. To get in a position to get that experience has two sides: you need to pursue leadership positions yourself and you need to give leadership opportunities to younger people. If we can all learn leadership skills in smaller capacities, like captain of a sports team or chair of a community board, then we will be better equipped when we are running a business or become directly responsible for the lives of others.

Our annual golf tournament is THIS MONTH. We still have more room for sponsors and teams; please contact Wes Crow if you are interested. A portion of our profit will be going to our existing scholarship at the UTK College of Architecture.

We continue to be wary of the COVID-19 virus and meet exclusively through digital means. I look forward to gathering in the same space with you all. If we can all continue to be cautious and considerate, that will be sooner rather than later. I will be doing my part by wearing my mask and limiting my interactions with others. I hope we can all do the same.

*Mr. Geoffrey Cavalier, CSI, Assoc.  
AIA, NCARB  
CSI Knoxville Chapter President  
[cavaliergeoffrey@gmail.com](mailto:cavaliergeoffrey@gmail.com)*

THE KNOXVILLE CHAPTER MEETS ON THE SECOND TUESDAY OF EVERY MONTH. GUESTS ARE WELCOME!

## CSI SCHOLARSHIP ENDOWMENT

### CSI GOLF TOURNAMENT SUPPORTS UT ENDOWMENT

Submitted By Ms. Kathy Proctor, RA, FCSI, CDT

The Knoxville CSI board recently announced that 50% of the proceeds from this year's golf tournament will go to the Knoxville Chapter CSI Scholarship Endowment with the UT Knoxville College of Architecture and Design. In 2005, Knoxville Chapter committed to raising funds to create an endowed scholarship that reached \$25,000 in 2007. The investment exceeds \$30,000 today and generates about \$2000 in scholarships each year. With the board's decision to contribute funds from the golf tournament, the endowment will continue to grow, creating more scholarships today and in the future.

The CSI Scholarship Endowment is awarded to a currently enrolled or admitted student to UT Knoxville College of Architecture and Design. They must have completed two years as an undergraduate or one year as a graduate student. Leadership skills and successful

academic performance are considered by the college's scholarship section committee. There is a preference to continue to award, if eligible, the scholarship to the same student. Applicants shall also volunteer in organizations or events that promote the betterment of the building environment. Preference is also given to active CSI members.

The Knoxville CSI chapter supported the college with donations to the Solar Decathlon Design Build project and the summer Design Camp. In addition to the financial support, the professional support of the CSI members to the student chapter enhances our students' exposure to real life work product and experiences.

The College of Architecture and Design is pleased to continue this fruitful relationship with the CSI Knoxville Chapter and its members, who bring a wide range of experiences to our student body. We are grateful for this partnership.
